

Hollydale Elementary School School Action Plan

SRTS Program	Description	Action Plan	Cost Estimate
School Pedestrian Route Map	Identify school boundaries and preferred walking routes to school. Identify crosswalk, stop sign, traffic signals and crossing guard locations.	Map prepared as part of program.	Free
Parent Center SRTS	Provide a centralized location where parents, school, etc. can find information on the SRTS Program including link to School Route Plan Maps, SRTS resources library and School Action Plan.	The Parent Center will be in a centralized location where parents and the community can find information on the SRTS program. Under the stewardship of the school coordinator and community representative, SRTS information will be updated and kept on file.	Free
SRTS Webpage	Provides a centralized location where parents, schools, etc. can find information on the SRTS Program. Includes link to School Route Plan Maps, SRTS resource library, School Action Plans, etc.	Webpage prepared as part of program.	Free
Outreach Campaign	Funding provided to encourage more walking/biking to school site, including wearing helmets.	Purchase of assemblies to promote walking/biking to school: <i>Riding with Youth</i> and <i>Walk and Roll to School</i> . In addition, the purchase of clip-on safety lights/reflectors, stickers, wristbands, refreshments and other incentives to promote biannual event. Other incentives: Free Dress Day, Ice Cream (provided by District), for Grades 6-8, wouldn't have to do 2-mile run.	Cost for assemblies and incentive items: ~\$1,300.00.
AAA Brochures/Fliers	Activity Book: Learning Traffic Safety the Fun Way (English)	Paramount USD will print if AAA will provide black-line master/digital file.	
School Crossing Guard	Install a school crossing guard at Pennsylvania Avenue & Century Blvd.	City to conduct a study to determine if location meets the CA MUTCD requirements.	City/School District to provide funding.

Hollydale Elementary School

School Action Plan

PROPOSED FUTURE INFRASTRUCTURE IMPROVEMENTS			
Title	Description		Cost Estimate
Bicycle Lanes	Install bike lanes on nearby streets to assist students in biking to school.	City to determine feasible locations.	City costs for supplies & personnel.
All-way stop / Cross Traffic Does Not Stop	Install all-way stops or "Cross Traffic Does Not Stop" sign for uncontrolled legs at Main St/Oklahoma Ave, Main St/Utah Ave, & maybe at Pennsylvania Ave/McKinley Ave.	City to evaluate and determine if suggestions meet CA MUTCD requirements.	City costs for supplies & personnel.
Sidewalk Completion	Hollydale Park Asphalt Sidewalk - extend existing sidewalk that runs along eastern boundary (next to houses & school), to the school drop-off area along Century Blvd.	City to consider.	City costs for supplies & personnel. Possibility for grant funding.
Storage Lockers	Install storage lockers for skate boards, clothes & helmets.	Paramount USD to follow-up.	Design Cost = Unknown Construction Cost = Unknown Assumed storage area would be on school property. Possible grant funding
