

South Gate Safe Routes To School

School Tool Box 7

STRS Program	Description
School Pedestrian Route Map	Map provided that identifies school boundaries and preferred walking routes to school. It identifies crosswalk, stop sign, traffic signals and crossing guard locations.
Parent Center SRTS	Each school to determine if a centralized on-site location where parents, school, etc. can find information on the SRTS Program is appropriate for their site.
Valet Curb-side/Safe Passages Services	Each school to determine if a valet curbs-side/ safe passages service is appropriate. If so, collaboration with South Gate Police Department and with LAUSD should occur.

PROPOSED FUTURE INFRASTRUCTURE IMPROVEMENTS	
Title	Description
Secure Bicycle Storage Area with Racks/Lockers	Each school to determine if a bicycle storage area is appropriate for their site.
